HOW-TO-ONLINE & PHONE

There have always been many online meeting offerings for support groups, but given our current societal context, many local support groups have moved to the online meeting platforms.

They include applications such as:
GOOGLE MEET • ZOOM • BLUE JEANS •
GOTOMEETING

To attend an Online Meeting using a smartphone, tablet, or computer, simply click on link for the meeting you want to attend or type it into a modern web browser! It will prompt you to download the free apps, or prompt you to open the app if you have it. You can also join a meeting by entering the Meeting ID and Password in the apps.

Meeting Information Needed:
Day & Time
URL -or- Meeting ID
Password (if applicable)

You can also join by dialing a number and entering the Meeting ID.

Find your local Zoom number:
