8TH ANNUAL

## Recovery Celebration

A time to raise awareness about  
mental and/or substance use disorders.

**Friday  
13-September-2019  
3p - 6p**

Recovery Month promotes the societal benefits of prevention, treatment, and recovery for substance use and mental disorders, celebrates people in recovery, lauds the contributions of treatment and service providers, and promotes the message that recovery is possible.

Recovery Month spreads the positive message that behavioral health is essential to overall health, that prevention works, treatment is effective and people can and do recover.

If you are interested in serving on the committee next year, please contact:
